There is no credit and no prospect of credit to the people of Elba. Unless the Federal Government provides financial assistance, by loans to the people have been saved for use. It is pathetic to see the efforts of the people around their once prosperous homes. The Red Cross is feeding and clothing the people, providing tents and beds. Some have been able to get into their houses, after washing and cleaning floors, walls and lots and removing many things washed and lodged against their houses and lots. The Health Department has announced many homes safe and sanitary, and in these the people have gone and are living with the aid of the Red Cross. There are many, many whose homes were wrecked, and these are being kept in tents and are sleeping on cots and eating at a general table provided by the Red Cross. All, regardless of former social or financial rank, are dependent. God bless the people who have given so generously and the Red Cross which has ministered so faithfully to the people of Elba. Now General Motors offers, in the new Pontiac, a "Big six," at the same base price. luxury in the Bodies by Fisher. It is appealing particularly to families which are "stepping up" in car ownership. 7 models-\$745 to \$895

CHEVROLET - Last year the public bought

more than 1,000,000 Chevrolets. This enabled

Chevrolet and General Motors to effect one of the

most remarkable feats in industrial history: almost

overnight, Chevrolet was changed from a 4-cylinder

car to a Six in the price range of the four. The new

Chevrolet Six is new in every respect: smoother,

more powerful, and luxurious bodies by Fisher.

7 models-\$525 to \$725

OLDSMOBILE—General Motors took this long-established car and remade it to provide a fine car at low price. I ist year the value of Oldsmobile was so marked that the public bought over 50 per cent more than the year before. The new Oldsmobile models, with Bodies by Fisher, offer still further improvements - and the prices have been reduced! Oldsmobile also has new Special and De Luxe models, with extra features, at slightly higher prices. 7 models-\$875 to \$1035

OAKLAND --- General Motors' policy of able than in the new models of the Oakland All American Six. The distinctive style and advanced engineering principles which Oakland represents have made it a center of unusual public interest at automobile shows. All-American in name, the new Oakland is All-American in its qualities of speed, snap, power and stamina. Fisher makes the bodies.

VIKING - There was demand for an 8-cylinder car of General Motors quality in the medium price field. General Motors chose Oldsmobile to design and build the new car, and three years were spent in its development and test. The result was revealed last month in the Viking, the latest member of the General Motors family. Viking has the world-famous 90-degree V-type engine and Fisher's newest creations in bodies. 3 models-\$1595
